

The Saratoga County Prosperity Partnership Mission

The Mission of the the Saratoga County Prosperity Partnership shall be to secure sustainable jobs and capital investment by attracting new business to the County and retain existing businesses by assisting them grow.

Economic Development defined: To the Saratoga County Prosperity Partnership economic development is both a process and an outcome. The desired outcome is increased number of new jobs, increased capital investment, and increased gross “local” product.

Statement of Values

The Saratoga County Prosperity Partnership will achieve common goals upholding the following values to each other, our investors, members, stakeholders, allied organizations and most importantly our clients and customers. Our values are:

Integrity

Integrity is our organizations founding principle. We will act with honesty and with moral purpose.

Accountability

We are committed to the Saratoga County region and its success, so everything we do we will be of the highest quality and with great diligence.

Transparency

We will be transparent in our dealings with each other and only positive motives benefitting Saratoga County will influence our decisions.

Respect

We will treat all stakeholders, members, investors and allied organizations with courtesy, fairness and deference in all matters.

Market-Driven

We will respond to market demands and be driven by our stated priorities.
